

H. E. Services (Plant Hire) Ltd & Diggerland attends **SOUTH EASTERN TERRITORY RAIL PLANT SHOW** at Paddock wood on 6th October 2010.

Pam Durey (Sales Director) received an invite from the organisers of the show to ask us if we would like to attend the South Eastern show.

We sprang in to action organising four Diggerland rides (Ducks & Skittles) along with SR12 Long Reach Excavator with a brush cutter fitted to be delivered to Paddock wood in preparation for the show.

Malcolm Gough (National Sales Manager for Plant Hire) & Joe Prosser (Marshal at Diggerland) attended the show, despite the torrential rain in the morning the weather cleared up in the afternoon. Approximately 200 people visited the stand enabling us to gather valuable new contacts & customers within the rail industry.
